

### **Outdoor Clock** with Temperature and Humidity

#### **1 Remove the Weather-Resistant Cover**

Access the battery compartment by pulling off the weather-resistant cover. Be careful not to damage the cover during removal.

#### **2 Set the Time**

Turn the set knob on the back of the clock in either direction.

#### **3 Install or Replace Batteries**

AcuRite recommends high quality alkaline or lithium batteries for the best product performance. Heavy duty or rechargeable batteries are not recommended.

The clock requires lithium batteries in low temperature conditions. Cold temperatures can cause alkaline batteries to function improperly. Use lithium batteries in the clock for temperatures below  $-4^{\circ}\text{F}$  /  $-20^{\circ}\text{C}$ .

Insert 1 x AA alkaline or lithium battery into the battery compartment, as shown. Follow the polarity (+/-) diagram in the battery compartment. Replace the weather-resistant cover and secure using screws.

#### **4 Calibrate the Temperature and Humidity**

The pointer may move during shipping, causing the thermometer/hygrometer to read temperature/humidity inaccurately. If the thermometer/hygrometer is reading incorrectly, compare the temperature/humidity reading to a known accurate thermometer/hygrometer. Let both thermometers/hygrometers adjust to room temperature for at least three hours. If the new thermometer/hygrometer continues to read inaccurately, adjust the pointer by turning knob on the back of the unit in the appropriate direction.

#### **DO NOT HANG IN DIRECT SUNLIGHT!**

For the most accurate temperature readings choose a location that will not be exposed to direct sunlight or other direct heat sources.

**1** Remove the Weather-Resistant Cover

**2** Set the Time

**3** Install Battery  
1 AA battery

**4** Calibrate the Temperature and Humidity

**4**

**4** Calibrate the Temperature and Humidity

## Care & Maintenance

### Clock Care

- A soft cloth may be used to clean the clock, as needed.
- Do not use corrosive cleaners or chemicals on the clock.
- Always store the clock without a battery when not in use.

**PLEASE DISPOSE OF OLD OR DEFECTIVE BATTERIES IN AN ENVIRONMENTALLY SAFE WAY AND IN ACCORDANCE WITH YOUR LOCAL LAWS AND REGULATIONS.**

**BATTERY SAFETY:** Clean the battery contacts and also those of the device prior to battery installation. Remove batteries from equipment which is not to be used for an extended period of time. Follow the polarity (+/-) diagram in the battery compartment. Promptly remove dead batteries from the device. Dispose of used batteries properly. Only batteries of the same or equivalent type as recommended are to be used. DO NOT incinerate used batteries. DO NOT dispose of batteries in fire, as batteries may explode or leak. DO NOT mix old and new batteries or types of batteries (alkaline/standard). DO NOT use rechargeable batteries. DO NOT recharge non-rechargeable batteries. DO NOT short-circuit the supply terminals.

## Limited One Year Warranty

At AcuRite, we proudly uphold our commitment to quality technology. Chaney Instrument Co. warrants that all products it manufactures to be of good material and workmanship, and to be free of defects when properly installed and operated for a period of one year from the date of purchase.

We recommend that you visit us at [www.AcuRite.com](http://www.AcuRite.com) for the fastest way to register your product. However, product registration does not eliminate the need to retain your original proof of purchase in order to obtain warranty benefits.

Chaney Instrument Co. warrants that all products it manufactures to be of good material and workmanship, and to be free of defects when properly installed and operated for a period of one year from the date of purchase. Remedy for breach of this warranty is limited to repair or replacement of the defective item(s). Any product which, under normal use and service, is proven to breach the warranty contained herein within ONE YEAR from date of sale will, upon examination by Chaney, and at its sole option, be repaired or replaced by Chaney. Transportation costs and charges for returned goods shall be paid for by the purchaser. Chaney hereby disclaims all responsibility for such transportation costs and charges. This warranty will

not be breached, and Chaney will give no credit for products it manufactures which have received normal wear and tear, been damaged (including by acts of nature), tampered, abused, improperly installed, damaged in shipping, or repaired or altered by others than authorized representatives of Chaney.

The above-described warranty is expressly in lieu of all other warranties, express or implied, and all other warranties are hereby expressly disclaimed, including without limitation the implied warranty of merchantability and the implied warranty of fitness for a particular purpose. Chaney expressly disclaims all liability for special, consequential or incidental damages, whether arising in tort or by contract from any breach of this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Chaney further disclaims all liability from personal injury relating to its products to the extent permitted by law. By acceptance of any of Chaney's products, the purchaser assumes all liability for the consequences arising from their use or misuse. No person, firm or corporation is authorized to assume for Chaney any other liability in connection with the sale of its products. Furthermore, no person, firm or corporation is authorized to modify or waive the terms of this paragraph, and the preceding paragraph, unless done in writing and signed by a duly authorized agent of Chaney. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
