

Product Manual

I. Instructions for Use

1. After unpacking, please check that all accessories are complete.
2. Please use safely according to the product model/product usage scope.

II.Warning / Safety Information

⚠ Warning ⚠

1. Do not use in extreme environments: high temperature and humidity/dusty/flammable areas.
2. Avoid subjecting the product to severe impacts or vibrations.
3. Do not disassemble, modify, or repair this product yourself.
4. Keep out of reach of children.

III.Frequently Asked Questions

1. Q: Cannot install?

A: Check if the device model is compatible and check if there are any foreign objects obstructing the installation area.

Q: Is return and exchange supported?

A: In accordance with the platform's after-sales policy, returns and exchanges are possible if the product is uninstalled, unused, and does not affect resale (specific details are subject to the store's instructions).
