

EUREKA[®]

EEB 1.5L

Blender

230V a.c. 60Hz
300 Watts

BEFORE OPERATING UNIT,
PLEASE READ THESE INSTRUCTIONS COMPLETELY.

IDENTIFICATION OF PARTS

- | | |
|-----------------|---------------------|
| ① Cover | ② Blender container |
| ③ Cup Base | ④ Cutting blades |
| ⑤ Motor housing | ⑥ Switch panel |

PRECAUTIONS

- Before using, make sure voltage and frequency indicated on the button plate are the same as your local supply.
- When blending meat, fish, garlic or beans, do not fill the blender container over full or operate more than 2 minutes.
- Do not immerse motor housing in water.
- Never remove or attach container when motor is opening.
- Do not operate with the blades or the rotating parts without container assembles.
- Do not open the container or place anything (especially finger, spoon, fork, etc.) in the container during operation.
- Do not place hot ingredients (over 60°C) in the container.
- Make sure to assemble container with the correct blade base and packing.
- If the supply cord is damaged, it must be replaced by your National dealer or its service agent or a similarly qualified person in order to avoid a hazard.

HOW TO USE BLENDER

1

Make sure switch is off.
Place ingredients in container
Cover.

2

Place container on motor
housing.

3

Plug in.

4

Select one of two speed
buttons as required.
Use PULSE switch for
precision blending.

5

After grinding, switch off. Unplug.

CAUTION

- Maximum ingredient volume: 1500ml
- Do not crush ice cubes.
- Do not operate blender longer than 2 min at one time. Stop for 2 min., then resume.
- Dice solid foods. Blend with water.

When circuit breaker automatically stops motor due to overloading.

Switch OFF. Unplug. OFF switch resets circuit breaker.

Reduce ingredients to less than half.

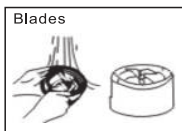

Resume operation.

HOW TO CLEAN

Half-fill container with lukewarm water. Operate for cleaning. Remove container and packing from container base and rinse. Dry.

Wash grinding blades in running water, and clean carefully with a brush.

Wipe off motor housing with a damp cloth.
