

PRODUCT MANUAL

1. Product Informaton

Product Name: Lighting Accessories

Model: EPC_LAS_A0W

2. MANUFACTURER & EU REPRESENTATIVE INFO

Manufacturer: Foshan Bolian Optoelectronics Technology Co., Ltd,

- No. 20, Zhanye Road, Xiaotangdong, Shishan Town, Nanhai District, Foshan City, Guangdong Pro, goluck.cn@163.com/<https://detail.1688.com/offer/521748868208.html/18680684068>
- EU Authorized Representative: [SINO-SEAR GmbH , Feuerbachstrasse 11, 14471 Potsdam, Germany, info@sino-sear.com/331 9513 0908

3. Instructions for Use

- - Made of Polyurethane material, have strong resistance and are not easy to deform and break, and at the same time have durability, decay and flame retardant.
- - Decorative: The ceiling medallion for ceiling fan is an elegant backdrop for ceiling fans and light fixtures; The simplicity of this medallion ensures long lasting style and can be paired with other decor to add architectural interest to the room.
- - Easy to Install: our home lighting ceiling medallions are simply installed with no nail glue, then wait for the no nail glue to dry and then install the light fixture or ceiling fan, so you don't have to use any troublesome nails.
- - Size: 12inch(OD) x 4inch(ID), PU material has high temperature resistant 90 Celsius degree, superior to PVC, longer service life and abrasion resistance.
- - Perfect for both interior and exterior applications, use to cover too large holes and cracks around fixtures. Covers the hole, cracks, anchoring in the ceiling when canopy doesn't cover them completely, it can help you. No need for expensive extra re planning.
