Product Overview

The Green Lion Duo Mag 2-in-1 Car Cup Holder is a convenient and adjustable solution for hands-free device use in your vehicle. It features dual 360° rotating heads for flexible viewing, fitting cup holders between 3.0" and 4.3". The ultra-strong magnets securely hold your devices, while the space-saving design keeps your car organized. With a flexible gooseneck arm, this holder provides stability and comfort, making it an ideal accessory for safe, hands-free use while driving.

Specifications

Model No.	GX-68
Material	ABS + Silicone
Magnets	N50×17 pcs
Magnetic Force	2.5 kg
Rotation	360°
Cup Holder Fit Size	3.0" - 4.3"
Product Weight	219g
Product Dimensions	315 × 185 × 113 mm

Product Features

- a. **360° Rotation:** The Green Lion Duo Mag 2-in-1 Car Cup Holder features full 360° rotation, allowing you to adjust your device to the perfect viewing angle for convenience and safety while driving.
- b. **Ultra-Strong Magnets:** Equipped with 17 high-quality N50 magnets, the holder provides a magnetic force of 2.5 kg, ensuring a secure hold for your phone or device, even on bumpy roads.
- c. **Adjustable Cup Holder Fit (3.0" - 4.3"):** The holder fits most car cup holders, ranging from 3.0" to 4.3" in size, providing flexibility for different vehicle models and cup holder dimensions.
- d. **Durable Construction:** Made from a combination of ABS and silicone, this holder offers durability and a secure grip while preventing any damage or scratches to your device or car interior.
- e. **Space-Saving Design:** The compact and space-efficient design ensures that the holder doesn't take up unnecessary space in your car, keeping your vehicle organized and your device easily accessible.
- f. **Hands-Free Convenience:** Designed for hands-free use, this holder allows you to safely operate your device while driving, helping you stay focused on the road.

Instructions for Use

1. Attach the Ball Head to the Magnetic Head: First, attach the ball head to the magnetic head. Adjust the angle to your preferred position and tighten the locking nut to secure it.

2. Attach the Dual Magnetic Head to the Base: Attach the dual magnetic head to the base of the holder. Adjust the angle as needed and tighten the locking nut to ensure it stays in place.

3. Insert the Holder into the Car Cup Holder: Squeeze the bottom of the holder and insert it into the car cup holder. Release it to allow the holder to adjust automatically to fit the cup holder size.

4. Place Your Cup and Phone on the Holder: Finally, place your cup in the holder and position your phone on the magnetic heads. For non-Apple MagSafe phones, use the included magnetic ring to securely attach your phone.

Cleaning and Maintenance

To ensure optimal performance and longevity of your Green Lion Duo Mag 2-in-1 Car Cup Holder, follow these simple cleaning and maintenance guidelines:

- 1. Regular Cleaning:** Gently wipe the surface of the holder with a soft, damp cloth to remove dust, dirt, or spills. Avoid using harsh chemicals or abrasive materials that could damage the surface.
- 2. Magnetic Head Care:** Clean the magnetic heads with a dry cloth to remove any dust or debris. Do not use water or cleaning solutions directly on the magnets to avoid damaging their magnetic properties.
- 3. Cup Holder Area:** The cup holder area may accumulate dust or residues from cups and bottles. Use a soft brush or cloth to clean the inside of the holder. For stubborn dirt, slightly dampen the cloth, ensuring no water enters the mechanism.
- 4. Gooseneck Arm Maintenance:** Periodically check the gooseneck arm

for any signs of wear or loosening. Tighten any screws or connections if necessary to maintain stability.

5. Storage: When not in use, store the holder in a cool, dry place away from direct sunlight or extreme temperatures. This helps prevent any damage to the materials and ensures that the holder remains functional for a long time.

6. Avoid Excessive Force: Do not apply excessive force when adjusting the holder or the magnetic heads. Handle with care to avoid breaking any components.

Safety Precautions

1. Proper Installation: Ensure the holder is securely installed in the car cup holder before placing any devices on it. A loose installation can cause the holder to shift or detach during use, potentially causing accidents.

2. Avoid Blocking View: Position the holder and your phone in a way that does not obstruct your view of the road or interfere with the vehicle's controls, ensuring safe driving.

3. Do Not Overload the Holder: The holder is designed to hold phones and small devices only. Avoid placing heavy or oversized objects that could strain the holder or cause it to become unstable.

4. Avoid Sudden Movements: Avoid using the holder during sudden maneuvers or in rough driving conditions that could cause the device to fall or the holder to become dislodged.

5. Use with Compatible Devices: Ensure your phone or device is compatible with the magnetic holder. For non-Apple MagSafe phones, use the included magnetic ring to ensure a secure hold.

6. Check for Wear and Tear: Regularly inspect the holder, especially the gooseneck arm and magnetic heads, for any signs of wear or damage. Replace any damaged parts to maintain safe use.

7. Keep Away from Children: Keep the holder and its components out of reach of children to prevent accidental misuse or injury.

8. Do Not Apply Excessive Force: Avoid applying excessive force when adjusting the holder or magnetic heads to prevent damage to the components. Handle the product gently.

Disposal

This product must not be disposed of as unsorted household waste. It is important to separate such waste for proper treatment and recycling, in compliance with local waste management regulations.

Warranty

Products that you buy directly from our **Green Lion** website or shop come with a 24-month warranty.

When you buy **Green Lion** products from any of our approved sellers, you only get a 12-month warranty. If you want to extend this warranty, go to our website at <https://www.greenlion.net/warranty> and fill out the form with your information. Don't forget to upload a picture of the product too. After we've checked and accepted your request, we'll send you an email to confirm that your product's warranty has been extended.
