

20W USB-C PD & 18W USB

Mini Dual Car Charger

20W

This Mini Dual Car Charger is perfect for active lifestyles, combining the newest USB-C Power Delivery technology with Adaptive Fast Charging so you can recharge your iPhone or Galaxy from 0 to 50% in as little as 30 minutes! Your car only has one outlet to use, so we squeezed two ports into this low-profile charger without taking up any extra space – fast charge your phone while you also power up your smartwatch, GPS, or earbuds at the same time. The smart circuitry inside makes sure any device will charge safely and at max speed, with zero overcharging. Whether it's your daily commute or you're driving a rental on vacation, plug in whatever you have and always arrive fully charged!
