

## JBL Wireless Microphone (2-Pack) - Quick Start Guide

### Product Overview

Dual-channel UHF wireless microphones with plug-and-play receiver, for karaoke, live performance, and audio recording.

### What's Included

- 2 x Wireless Microphones
- 1 x USB Receiver
- Quick Start Guide

### Setup (3 Steps)

1. Power On: Press the button on each mic to turn on. Mics will auto-pair with the receiver.
2. Connect: Plug the receiver into your speaker/amplifier's mic input.
3. Test: Adjust volume on your device and test audio.

### ◆ Key Features

- UHF wireless transmission, stable signal up to 30m
- 2 independent channels (CH-3 / CH-6) for dual-person use
- Plug-and-play, no driver required
- Long battery life for all-day use

### Care & Safety

- Keep away from water and high heat
- Turn off mics when not in use to save power
- Avoid dropping or impact to the mic body
