- FHD Webcam + IR Camera with Webcam & Dual Mic.
- Full-Size Backlit Keyboard
- Ultra-thin 0.66" Thickness
- Extremely Light 2.75 lbs
- Tough MIL-STD-810G Compliant

Combining a tough, lightweight magnesium alloy body with an ultra-thin form factor, excellent performance and great battery life, The new LG gram is the ultimate tool for the business traveler. This LG gram has been redesigned with a Intel® Core™ Ultra7 155H processor, and a 16:10 aspect ratio while retaining its powerful 72 Wh battery.

Light Weight

The LG gram offers amazing portability for the on-the-go executive. With gram's innovative design and construction, the 14-inch model weighs only 2.75 lbs., so it's easy to take anywhere.

Tough & Low Profile

The sleek metal alloy body of the LG gram combines advanced nano carbon with magnesium to create a light weight yet durable housing for the computer that's still beautifully thin at 0.66" thick.

Multiple USB Type-C Ports Including Thunderbolt™ 4

Connect it all with gram's host of popular ports. Gram's Thunderbolt™ 4 adds fast data transfer plus smooth display of 4K/5K video, and the stereo headphone jack provides dedicated sound while maintaining privacy and a quiet workspace.

Long-Lasting Battery

Portability is a function of battery life in addition to size and weight, and this LG gram has been designed to keep going with up to 14 hours of power* to hit deadlines and keep streaming long after others have quit.
