

PRODUCT MANUAL

1. Product Information

Product Name: wire harness

Model: 1022379-00-B

2. MANUFACTURER & EU REPRESENTATIVE INFO

- Manufacturer: Company Name: Qingyuan Lehuan Trading Co., Ltd
Full Address: China Guangdong Province Qingyuan Qingcheng District Fengcheng Subdistrict No. 21, Fuhao Trading, 1st Floor, Building 2-3, Shengli Yayuan, Qingkuo Road
Email: lehuanautoparts@163.com
Telephone: +86 18023346082

- EU Authorized Representative: AR Company Name: eVatmaster Consulting GmbH
Full Address: Raiffeisen Street 2 B11, 63110 Rodgau, Hessen, Germany
Email: contact@evatmaster.com
Telephone: +49 6995179070

3. Compliance Information

- For Electrical or Electronic Products: relating to electrical safety, electromagnetic compatibility, or environmental compliance, conformity marking (e.g., CE) and related documentation may be required.

4. Safety & Warnings

Read all instructions before use. Failure to follow these instructions may result in damage to the product or personal injury.

- Warning: Keep the device and its cord out of reach of children under 3 years old.
- Keep away from children unless supervised by an adult.
- Do not use this product for purposes other than its intended use.
- Inspect the product before each use; do not use if damaged.
- Follow installation and operation guidelines to avoid injury.

5. Instructions for Use

Installation and Connection Steps:

1. Disconnect Power: Never operate with power on. All power to the sensor and control system must be disconnected before connection.
2. Clean the Plug: Ensure the sensor plug and socket are clean, dry, and free of foreign objects.
3. Alignment: Align the positioning slot of the plug with the positioning hole of the socket.
4. Insertion and Locking: Insert the plug straight in, ensuring a tight connection.
5. Check: After connection, gently pull to confirm a secure connection.
