

# Daily Necessities Product Instruction Manual

**Product Name:** General Daily Use Products

**Product Category:** Household, Cleaning, Personal Care & Daily Essentials

**Production Date:** See Product Packaging

**Shelf Life/Expiry Date:** See Product Packaging

**Manufacturer/Distributor:** See Product Packaging

---

## 1. Product Usage Instructions & Limitations

### 1.1 Correct Usage Methods

1. Before use, carefully inspect the product for any damage, leakage, or defects. Do not use if damaged.
2. Follow the product-specific function guidelines (refer to product packaging for detailed functions):
  - Cleaning products: Dilute according to the recommended ratio (if applicable) and apply to the target surface. Wipe or rinse as needed.
  - Personal care products: Apply an appropriate amount to the intended area (e.g., skin, hair) and use as per the recommended frequency.
  - Disposable products: Use only once. Do not reuse under any circumstances.
3. Store the product in a cool, dry, and well-ventilated place after use. Ensure the packaging is tightly sealed to prevent contamination or deterioration.

### 1.2 Operation Steps (General Guidelines)

1. Unpack the product and remove any protective materials.

2. For products requiring preparation (e.g., diluting cleaners), follow the ratio instructions provided on the packaging.
3. Use the product only for its intended purpose (see Section 1.3 for restrictions).
4. After use, clean the product (if reusable) or dispose of it properly (if disposable) according to local waste management regulations.

## 1.3 Usage Limitations

- **Prohibited Uses:** Not for industrial, medical, food processing, or other non-domestic purposes.
  - **Environmental Restrictions:** Do not use or store in extreme temperatures (below -5°C / 23°F or above 40°C / 104°F), direct sunlight, or humid environments.
  - **Material Compatibility:** Avoid contact with incompatible materials (e.g., strong acids, alkalis, or flammable substances) unless specified otherwise.
  - **User Restrictions:** Not suitable for use by individuals without proper cognitive ability (e.g., young children, elderly with dementia) without supervision.
- 

## 2. Compliance Mark

**CE Mark:** This product complies with the essential requirements of the applicable EU Directives and bears the CE marking in accordance with Regulation (EU) 2019/425 (GPSD) and other relevant directives.

CE Mark Location: Product Packaging & Label

---

## 3. Applicable Regulations & Harmonized Standards

This product meets the requirements of the following EU regulations and harmonized standards:

- **Regulation (EU) 2019/425:** General Product Safety Directive (GPSD)
- **EN ISO 4531:2017:** Safety of household and similar electrical appliances (if applicable to electrical daily necessities)
-

**EN 1276:2009:** Chemical disinfectants and antiseptics - Quantitative suspension test for the evaluation of bactericidal activity in food, industrial, domestic and institutional areas (if applicable to cleaning/disinfectant products)

- **Regulation (EC) No 1223/2009:** Cosmetics Regulation (if applicable to personal care products)
- 

## 4. Warning & Safety Information

### Warning

- Keep out of reach of children and pets. Do not swallow, inhale, or allow contact with eyes, mouth, or broken skin. In case of accidental contact:
  - Eyes: Rinse immediately with plenty of clean water for at least 15 minutes. Seek medical attention if irritation persists.
  - Skin: Wash the affected area thoroughly with soap and water. Discontinue use if allergic reactions (e.g., redness, itching) occur and consult a physician.
  - Ingestion: Do not induce vomiting. Seek immediate medical attention and provide the product label or this manual to the healthcare provider.
- Flammable products (if applicable): Keep away from open flames, high temperatures, and electrical sources. Do not use in enclosed spaces without proper ventilation.
- Do not modify, disassemble, or cut the product. Improper handling may cause damage, leakage, or personal injury.
- Sensitive individuals (pregnant women, infants, people with allergies) should perform a patch test before full use.
- For electrical daily necessities (if applicable): Do not use with wet hands. Inspect the power cord for damage before use. Disconnect from power when not in use or during cleaning.

### Safety Information

- Dispose of the product and packaging in accordance with local waste sorting regulations. Do not litter or incinerate.
- Do not mix different products (e.g., cleaning agents) unless specified, as chemical reactions may produce harmful gases.
- Use protective gloves if prolonged contact with the product is required (e.g., concentrated cleaning products).

---

## 5. Quality & After-Sales Service

1. This product has passed strict quality inspections before leaving the factory and meets the specified quality standards under normal use.
2. If you find packaging damage, product defects, or quality issues, please stop using the product immediately and contact the seller or manufacturer with the purchase proof.
3. Damages caused by improper use, intentional damage, unauthorized modification, or expired use are not covered by the after-sales warranty.

## 6. Disclaimer

This manual is a general version. Specific product details, functions, and additional instructions shall prevail over the product packaging and special labels. The manufacturer and distributor shall not be liable for any personal injury or property loss caused by non-compliance with this manual, improper use, or negligence.
